OVERVIEW

Congratulations on your decision to read the Bible! Bible Reading is one of the most enriching, time-tested pathways for growing in your relationship with God. New Hope's Bible Reading plan will take you through the entire Bible in three years. This allows us to slow down, meditate on God's Word, and have a plan that we can all work through together amidst the busyness of life.

HOW IT WORKS

1. We suggest that you begin with a moment of prayer, drawing yourself into an awareness of God's presence, asking God to guide you in your reading.
2. Read each passage, daily, if possible. Most people will read daily, however if necessary cover the chapters in the course of the week as it fits your schedule.
3. Close in Prayer, thanking God and asking for help to live according to the truths of His Word.

TIPS AND SUGGESTIONS

- Try to find a quiet place and time that will regularly work for you.
- Be as consistent as possible. Missing a reading makes it easier to miss the next.
- A good Study Bible can be helpful for you in your Bible reading. We recommend the NIV Study Bible or NLT Life Application Bible.
- If you have study notes, use the following method: read the text, read the note, and then read the text again. This will help you stay focused on the text rather than on the study notes.
- Talk with others about your readings.
- Do not let hard-to-understand things distract you from the things you clearly understand. Act on what you understand; ask questions about what you don't.
- When (not "if," WHEN!) you miss a reading or fall behind, catch-up methods include: skipping missed chapters, skimming missed chapters, or making up the missed chapters over time. Don't let Satan discourage you from getting into God's Word!

BIBLE JOURNALING

Focus: A verse that presents a truth with special relevance or significance to you.

Insight: Explanation of the passage, putting it in your own words.

Response: An action-oriented statement that relates to your Insight. If you believe the truth of your insight, what is a specific action you will take? Is there a specific context for this action? Is there:

- Sin to Confess
- Promise to Claim
- Attitude to Change
- Command to Obey
- Example to Follow
- Prayer to Pray
- Error to Avoid
- Truth to Believe
- Special Thanks
