You Can Walk On The Water

Matt. 14:28

Hi folks just a quick note to say hello and to let you all know that Jesus is still Lord! Sometimes in life the enemy comes and try to bring or create circumstances and situation to make us wonder where is Jesus, where is our Father God. But you don't have to allow the devil to operate against you; you can stop him in his tracks when you act on what God's word says. Many people read the account of what happen to Peter and criticize him, but I don't because at least he did walk on the water. Some people never get out of the boat, and so they never see the supernatural power of God manifest, not even once in their life. They never come out of their comfort zone. Jesus never intend for us to sink as we walk on the sea's of life, and He did not intend for Peter to sink. Jesus said " come " and so as long as Peter stayed focus on what Jesus said, as long as he had faith in the word that Jesus spoke to him he could walk on the seas of life.

The Sea's of life:

Sometimes life winds blow and become boisterous. Sometimes the devil will bring up pass hurts to try and keep them fresh in our mind which will prevent

our hearts from healing, The devil will create stressful situations for us and use people to oppose us even in the work place. He will try and steal the peace in our home life that Jesus die for us to have by causing confusion between love ones. But I want you to know that the devil is a liar, and a **ALREADY** defeated foe.

When these things begin to manifest **don't panic** It's just a test. You don't have to sink should you have to face these things you can stand in faith, and walk right through the storms of life. Peter saw the waves and *fear* entered in his heart, *fear* blinds you from the power that God has , and the power that he has put in you by the Holy Ghost. It (*fear*) also blinds you from the everlasting Love that your Lord and Savior Jesus Christ has for you. Therefore, as powerful as we are we feel overwhelmed, run down, stressed, and like we are going down for the last time.

The good news is if we respond in faith to these situations, God will bring us through victorious every time... every time! God did not send Jesus here to die so that the devil could steal your joy, steal your health, steal your peace, steal your future happiness by living in the pass. No, No, a thousand times No! The bible say's in **Acts 3:26** that God sent Jesus to bless us Amen! To bless means to confer God's Divine favor upon us, and with it we can be victorious in every situation of life. Today if your facing any storms or know some one who is, stand in faith and speak to the storms of life in Jesus name and watch the power of God manifest to bring you through. Let's just pray now in agreement that the storms the enemy brings must go from us now in the mighty name of Jesus Christ. We bind the devil from working against us in any way shape or form in the mighty name of Jesus Christ, and stand on the word of God in Ish. 59 :19 which declares: when the enemy shall come in like a flood, **the Spirit of Lord shall lift up a standard against him** praise God ... and now we have at this very moment the victory amen and amen in Jesus name amen!
