SEED OF LIFE

Life -Lines February 2010

Jesus Is Lord

Just Count It As A Seed Sown (Living Beyond Your Billfold)

The Law of sowing and reaping is one of the most powerful laws in the Word of God. It has far searching implications and does; weather

we know it are not, play an immeasurable part in the level of victory we actually live in here in the earth realm. When I speak of actual victory, I am speaking about actual manifestations of what our Lord and Savior Jesus Christ die for us to have. I am not just speaking of confessing the word; I am not just speaking about speaking in tongues. I am talking about confessing the word of God and seeing the manifestations of the words we have confessed, I am taking about praying in the Spirit and seeing the Glory of God come down to change unchangeable situations. I am talking about sowing a seed and seeing the harvest or the fruit of that seed in our life, in terms of blessing, prosperity, and favor actually manifesting in one form or other in our lives.

The word of God declares that while the earth (this realm, the natural realm) remaineth, seedtime and harvest, and cold and heat, and summer and winter, and day and night shall not case. **Gen. 8:22 KJV**. This spiritual law is true in both the seen and the unseen realm. If you are going to live at the level your privilege in Christ, you must embrace this truth from the word of God. I have been saved for almost 20 years. Moreover, in that time I have been up and sometimes down. I have had my

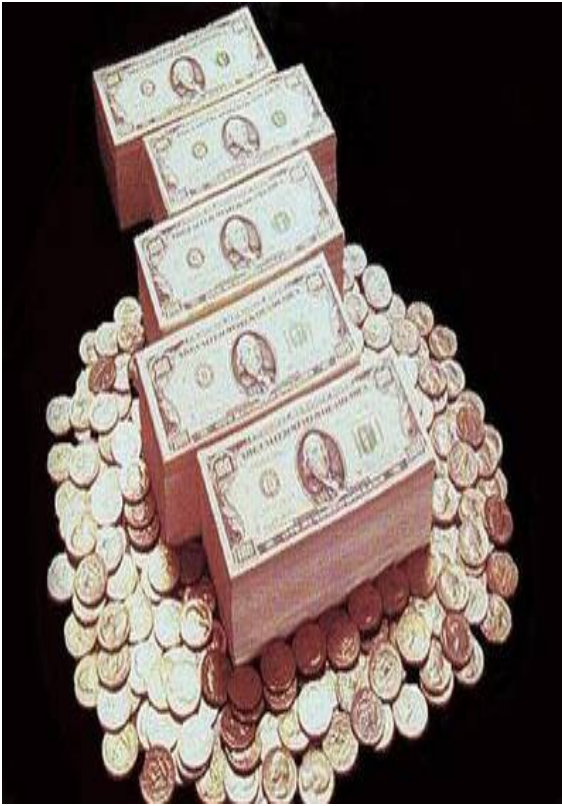

mountain top experiences when it seemed I was standing on top of world and I have had deep valley experiences when I had to face the storms of life. I have had my times of the fatted calves and I have seen the times of leanness and even lack. Nevertheless, there is one thing I can tell you... through it all God did not change. His desire for me to live at the level of my privilege near wavered.

If it seems today that no matter what you do, you just cannot seem to make ends meet and maybe you're in debt, or just in need of a little extra monetary help. If you are being challenged in the area of finances today, I want you to know that God loves you and He is going to bring you out. I said you are coming out! How? You may ask, by the law of sowing and reaping.

The principle of sowing is not limited to your billfold yet that too plays a major part. The law of sowing reaping starts with the word of God. You must become a word based person, and to be a word base person (a person that embraces the truth of the word of God above all else) you must become a person of faith. The bible declares that without faith it is impossible to please God, for he who comes to God must first believe that He is, and that He is a rewarder of those who diligently seek him. **Heb. 11:6.**

Faith is trust; therefore, our first step in Sowing and reaping is embracing the truth in the word of God. Especially those that have to do with harvest, increase and covenant living with prosperity as a benefit. After we embrace (which means to hold near and dear to our hearts), we sow the word... yes the word. But what about my money ... that comes later. Many Christian face storms in the area of finances, and then go to a church meeting and hear a good message and rightfully sow a seed. Then if they do not get the manifestation they need by 8:00 AM the next morning they get crossed and start to blame God or the minister because of their inability to receive.

Hear me when I say this ... the word works, and God has not nor will he ever change. Therefore, what is the problem? You did not sow the word first. As I said, to sow the word means to embrace the word. When you embrace the word, you become intimately involved with the word. The word becomes your power source to point that it is on your mind day in and day out. In other words, you think upon it, and regard it highly. You believe that it has God's supernatural power in it, because it does and that it can do what God said it could do. Now you are ready to sow for results. I encourage you to find a word to stand on. Not just any word, but a word for increase like **Malachi 3: 10-11**, and trust God to keep and perform His word in your finances. Tell God that you love Him and that He is your source. Thank God that He is bringing you out. Then confess the word out loud that you have the blessings of God in your life in the name of Jesus Christ. Then rise up and take authority over the devil. Bind him from attacking your finances and command him to go in Jesus mighty name. Lastly, give God time to work, keep a good attitude about your situation, and get in agreement with a faithfully believer and stand. Then count it as a seed sown properly and you will see the glory of God come on the scene. Remember to read the word everyday and God's power will begin to flow to you and through you to change that situation. Remember you are going to make it, In Jesus name Amen!

Confession

I' am a child of God , because I accept Jesus Christ as my Lord and Savior , therefore I am a supernatural being with supernatural power from my God through faith in His word, and I will see the goodness of the Lord in the Land of the living according **Ps.27** Amen Take care and do not wait ...prayer right now.
